We are looking for a talented and motivated individual to join our team in Tessenderlo as a Supply Chain Coordinator. If you are passionate about optimizing processes and ensuring seamless operations, this opportunity is perfect for you!

What can you expect from this challenging job?

- Collaborative Environment: Work closely with the Product Management Team and Sales Support Team to ensure alignment and efficiency across departments.
- Coordination and Management: Assist in the coordination and management of various supply chain activities, gaining valuable hands-on experience.
- Order Allocation and Stock Management: Assist in order allocation and stock management, ensuring that our inventory is always optimized.
- Demand Planning Support: Provide backup support for demand planning, helping to forecast and meet our supply needs effectively.

Are you the new colleague we are looking for?

- Educational Background: A degree in supply chain management is a plus, but not mandatory. We welcome recent graduates who are eager to learn and grow.
- Industry Experience: Experience in the Construction Equipment or Heavy Machinery sectors is advantageous but not required.
- Organizational and Analytical Skills: Strong organizational and analytical skills are essential for success in this role.
- Attention to Detail: A keen eye for detail will help you excel in managing our supply chain processes.
- Communication and Interpersonal Abilities: Excellent communication and interpersonal skills are crucial for collaborating with various teams and stakeholders.
- Technical Proficiency: Proficiency in Excel is a must, and experience with Power BI is a plus.
- Team Player: You should be cooperative and adept at building connections with your internal stakeholders.
- Software Knowledge: Familiarity with supply chain management software, particularly SAP, is an advantage.
- Resilience Under Pressure: The ability to work effectively under pressure is important in our fast-paced environment.
- Language Skills: Excellent knowledge of English, both written and spoken, is a must.

Why Join Us?

- Innovative Environment: Be part of a forward-thinking company that values innovation and continuous improvement.
- Supportive Team: Join a supportive and collaborative team that values your contributions and encourages your growth.
